Volume Thresholds	MSRP Listed Price	Total DIR Discount Percentages	DIR Customer Price (per license)
1-50 attorneys	\$600.00/User/Year	25.00%	\$450.00
51-200 attorneys		30.00%	\$420.00
201-500 attorneys		35.00%	\$390.00
501+ attorneys		40.00%	\$360.00

Benchly, Inc. DIR Customer Contract Pricing Terms

1. Purchase of packages or additional Benchly products is not required for specific DIR pricing eligibility.
2. Agreed upon discounts will be honored at an annual interval for each year of the contract, with consideration toward pricing increases or decreases arising prior to the start of each successive contract year.
3. Licensing is calculated based on the agency's total attorney count, ensuring proportional access to the service. A pre-determined percentage threshold is then applied to this total to determine the minimum allocation of licenses that can be issued to an agency.
